January 14

Took breakfast at Dr. Watts & [illegible]
to Lawrence South of Market found
Peggy Engineers Son Sunnyside here
very much sweet Potatoes —
also Lemons potatoes in fine
condition + plenty of it —
also other fine things + always
Pleasure — A Most excellent
pink Geranium — Nice Pansies
+ Begonias available at
Seattle prices —
Afternoon went to Lewis Arms
down with Peggy, Mrs. Ellis
Burgess Cutter Realtor Victoria Pleasant
+ Dan all in Town Drove home

+ Flia all in flower & such lovely

Cary went to Name Cryptic
& Mrs. Hems - both. 2 the Misses

Wednesday — 15 of 10

Went to Jacksonville for early to church
Pinguicula lutea — also found
Amianthium asphodeloides
Sent home in 2 boxes one to Father
Also also to Georgia Carolina
Father Sent & Indian flowers as follows

Amianthium
Amianthium muscaetoxicum) not in Carolina
Polygala nana
" lutea crenata
Pinguicula lutea
" Elatior
Iatia Virginica white & green
Sarracenia variolaris
Fillandsia usneoides
Viola pedata
" lanceolata

Wrote to Georgia Carolina
General picnic from Jacksonville amongst which
is Darnell & Chas Kane
picnic here at Spring
Jacksonville, Sehon & both
Mrs

Thursday 18th/85.

Walked to Oak Ridge 1½ miles
& West following street that passes
along south ridge Cottage at
(Dr Martin) found
Andromeda ovata
Calopogon pulchellus
Cypripedium pubescens
Polygala cruciata & specimens
beyond Church & Cemetery the
road curves to right & crosses a
small stream. Found Orchis
in the thicket & found several
fine heads bearing flowers. Also vaccinium stamineum
Hercules Parsnip, & on hills beyond
Phlox Floridana
Also a Composite — Solidago
Bent yellow flowered —
Sent boy P. virginicus to Ellis
with Postal this P.M.
Sept 18th Mr Beardsley

Spoke with Mr Bennett on the subject of [illegible] which he and Lord Selkirk were desirous

Friday 28th 1815

Took milk also drank milk.
Repeated weakness of the extremities — vomited & unpleasant —

Saturday 29th 1815
Took milk & repeated Oxymel Scillae & drank milk & chicken broth all the same conditions of the system — The weather very pleasant & got wind from the North. Great flood in the Red River at Assiniboia — Broke [illegible] & swept it off & left the ground — [illegible]

Fungi — named by Ellis

Hoth. idea scutula B. & C.
on Persea palustris
Sent both Ellis in letter

Polyporus virgineus Sz | latest in letter
white

---

desirable (possible) Polyporus applanatus
now distinct from P. australis

---

desirable Polyporus Cubensis
Farlow does not agree as
pores are short tetratose
(not very long as in Cubensis)
* P. planus E & R no. 2.

Peridermium orientale Kke
on Pinus australis needles
see N. A. F. Cent. XI Kissimmee.
